Robot-Assisted Shopping for the Visually Impaired

*VIRAS gives visually impaired people
the **freedom** to shop
independently and autonomously.*

Robot-Assisted Shopping for the Visually Impaired

Inclusion

4% of the Swiss population is visually impaired

Challenges

Orientation and finding products

Acceptance

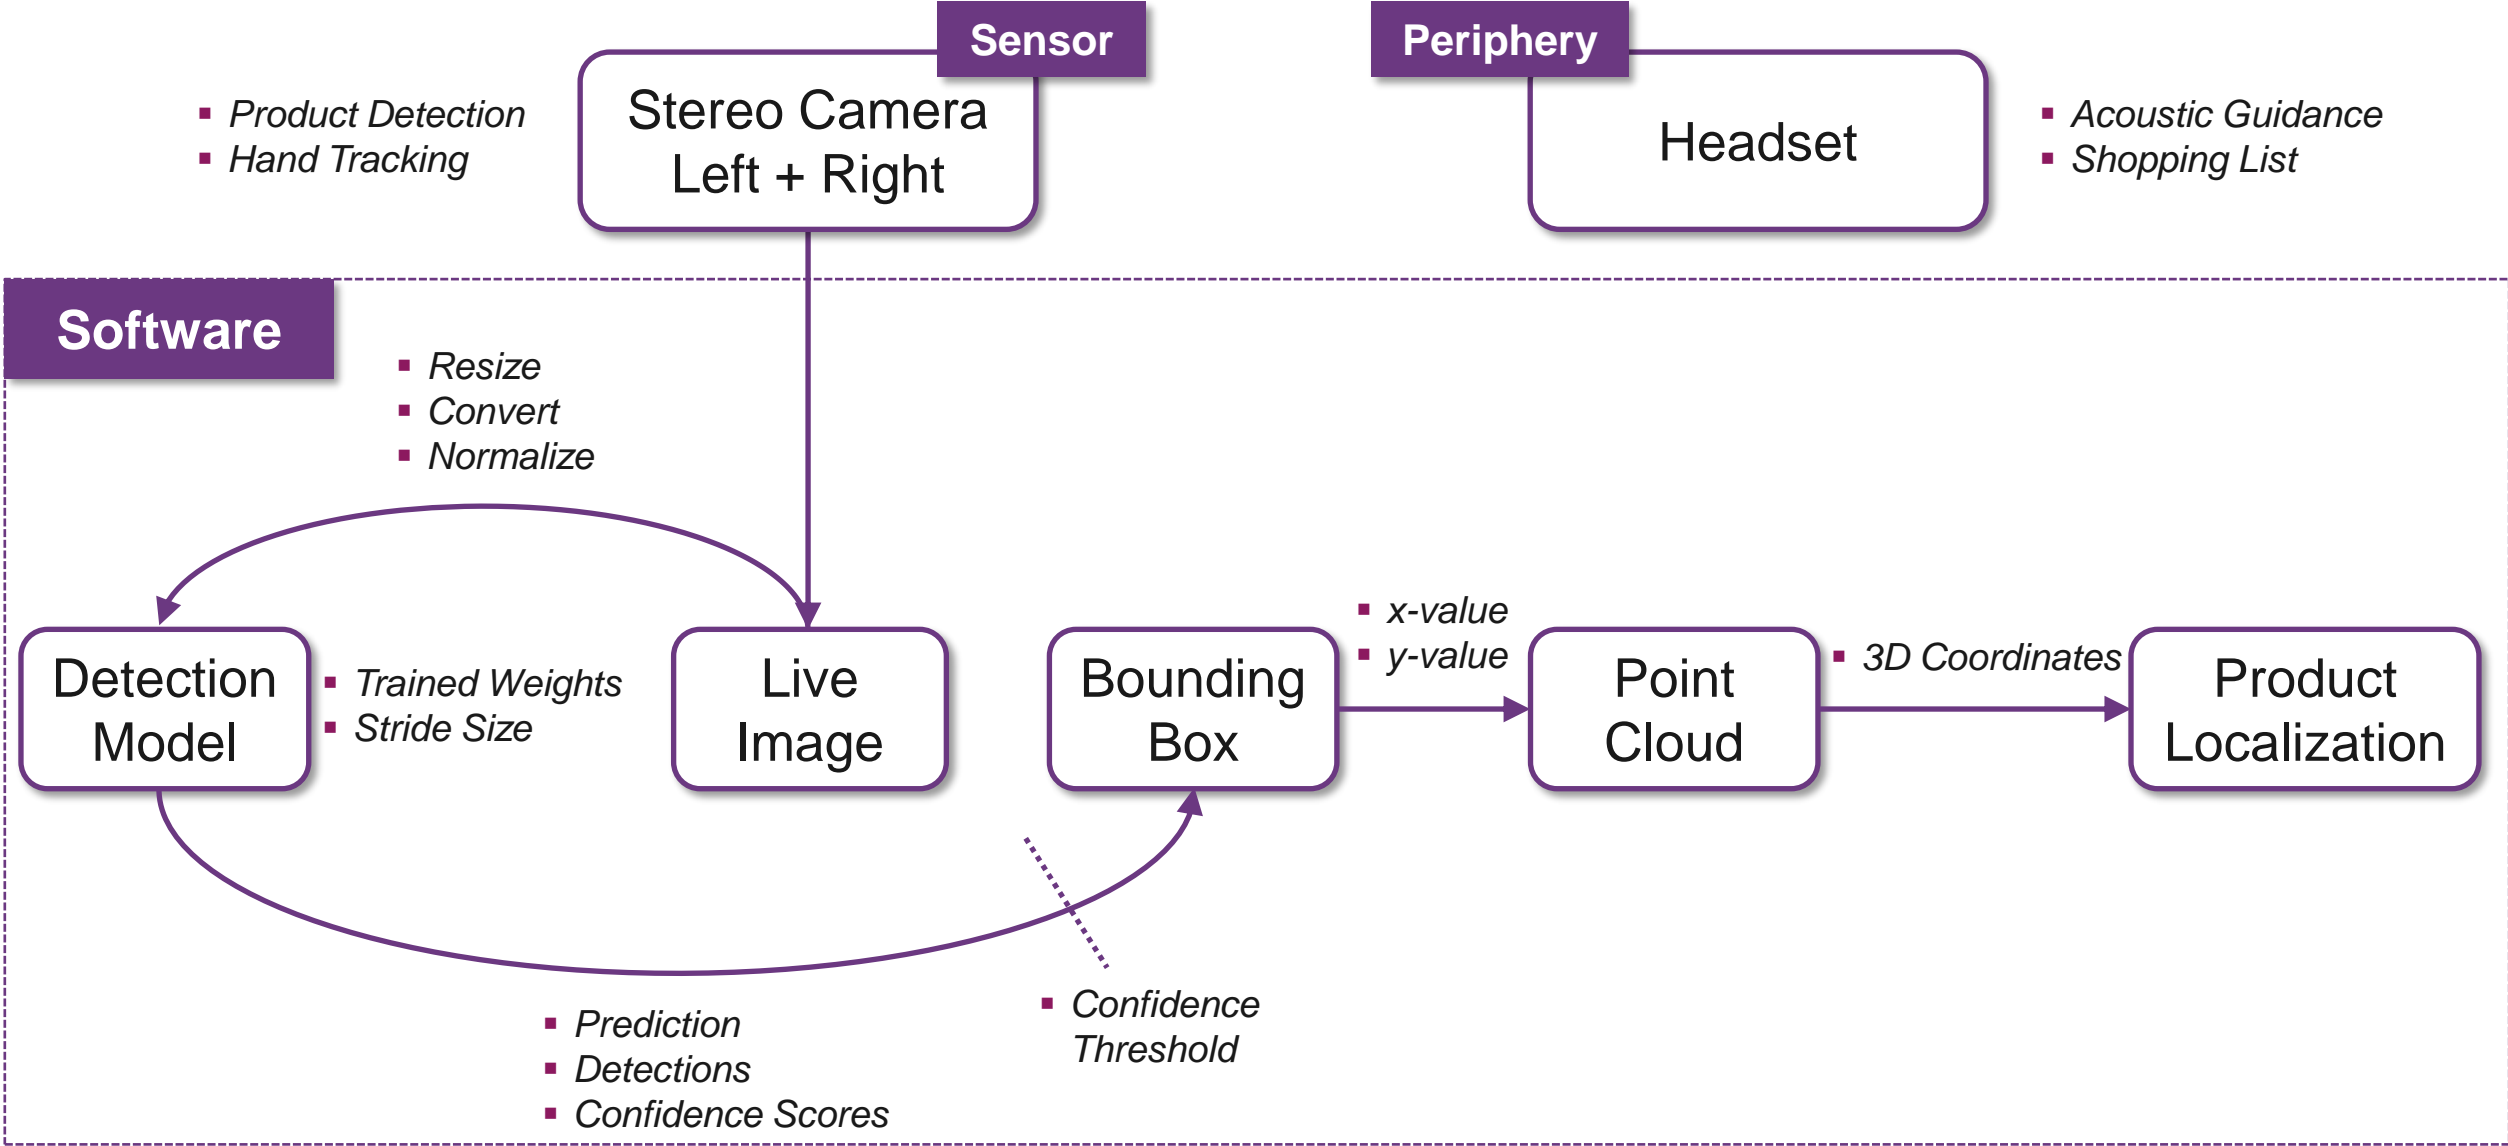

90% use of the shopping cart

Technology

Self-driving shopping cart
with product and hand recognition

Robot-Assisted Shopping for the Visually Impaired

MediaPipe

Hand Landmarks
Detection

21 Hand-Knuckle
Coordinates

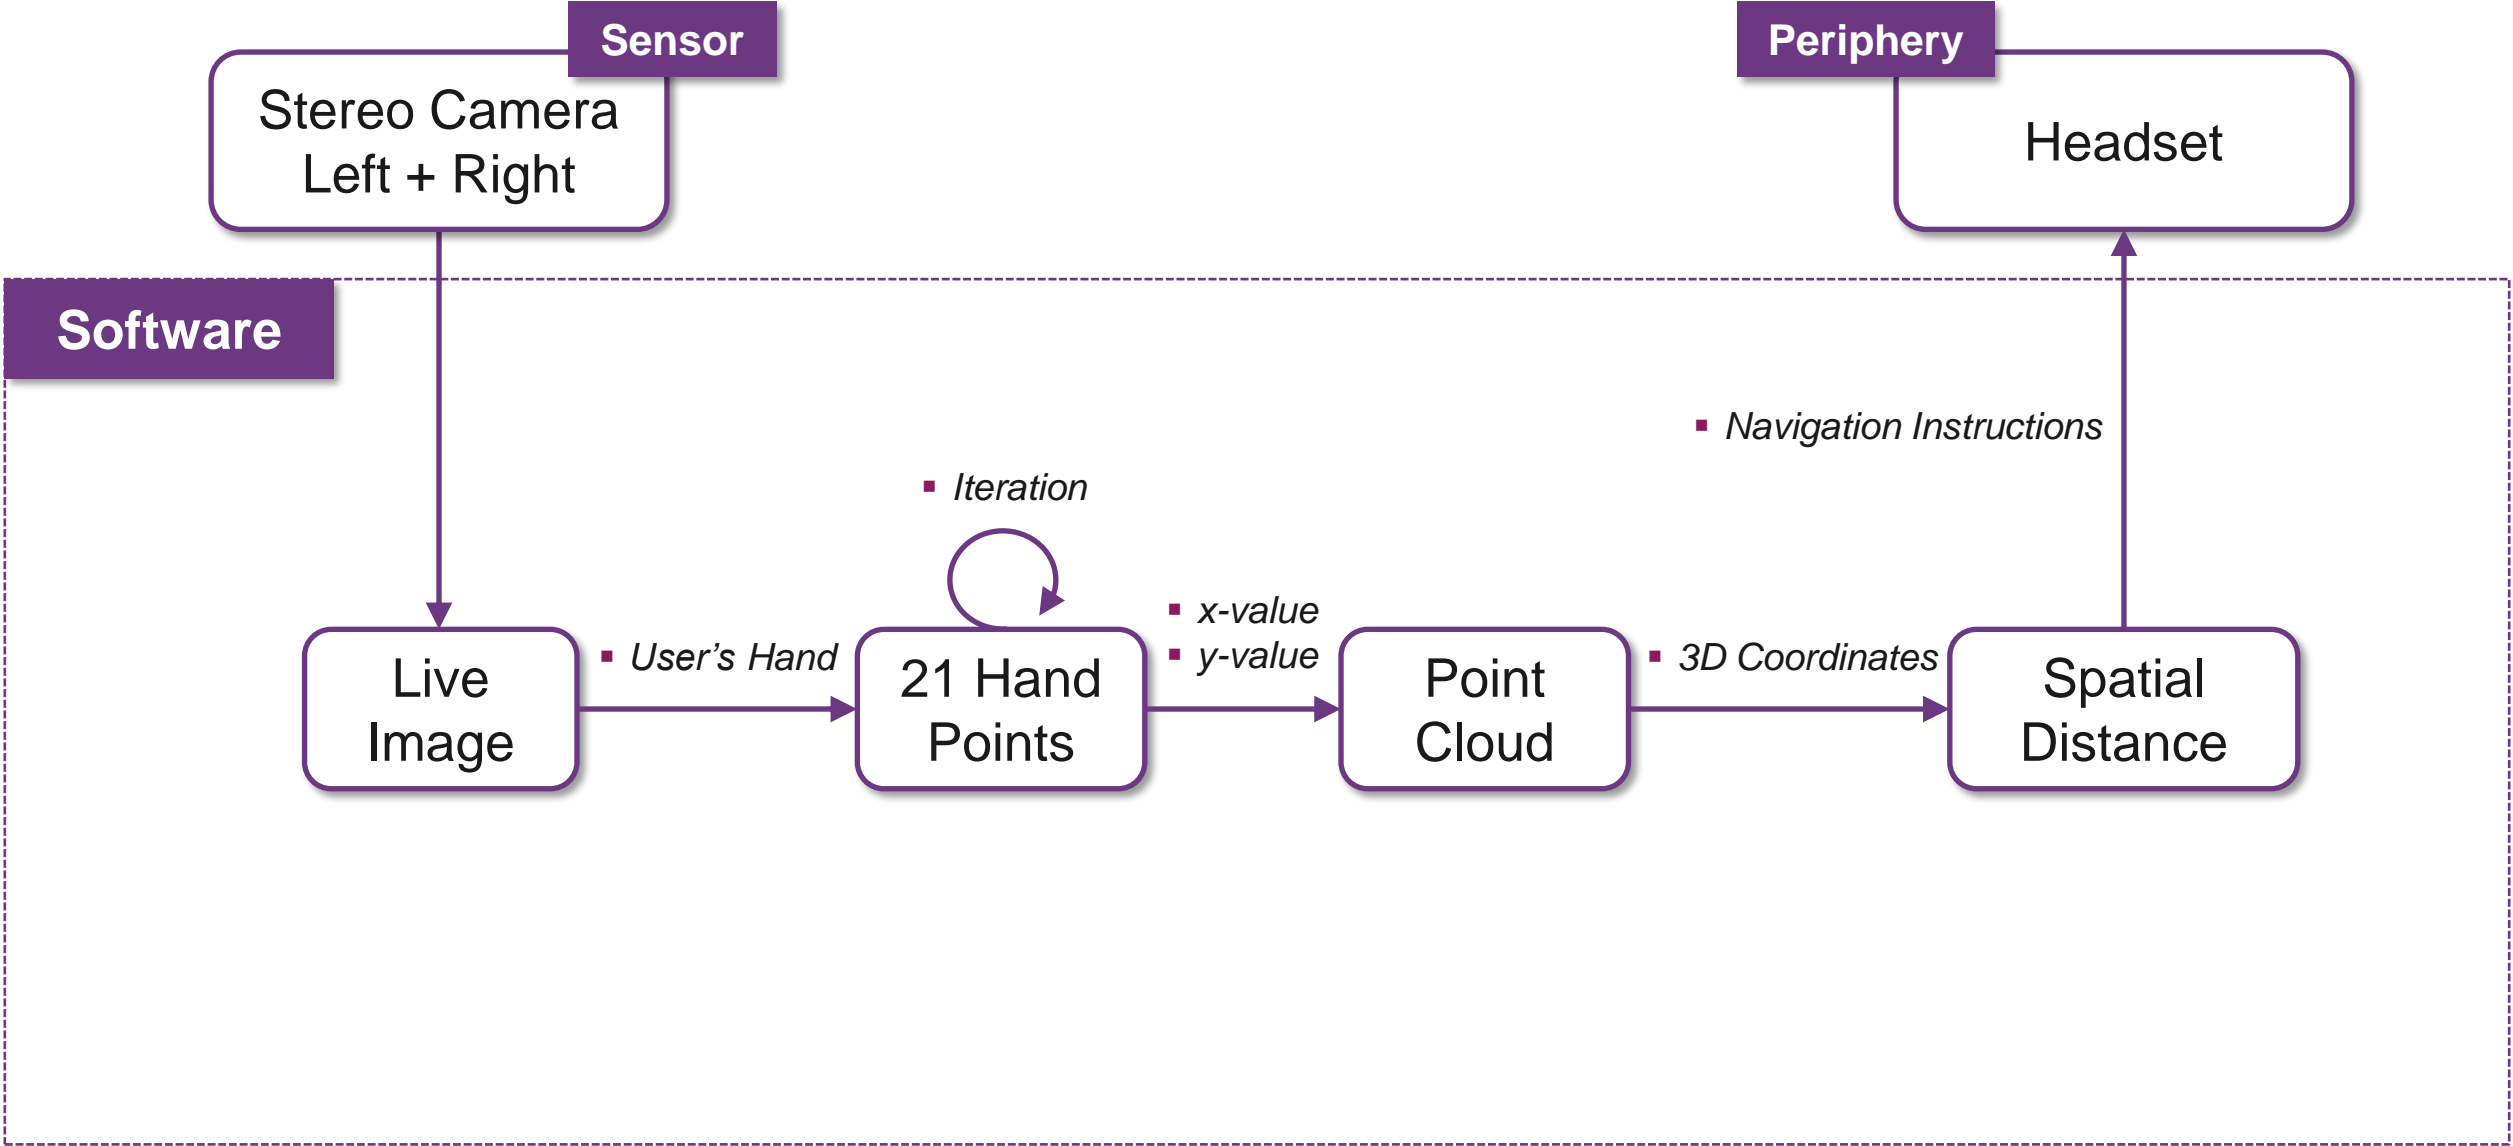

> 30K Real-World
Training Images

Tip Of Index Finger

\$ pip install mediapipe

Robot-Assisted Shopping for the Visually Impaired

eSpeak NG

\$ pip install espeakng

\$ pip install playsound

Requirements	eSpeak	MP3
Open-Source	✓	✓
Offline-Available	✓	✓
German	✓	✓
Small Memory Usage	✓	✓
Natural Speech	✗	✓
Flexible Text Generation	✓	✗

Text-To-Speech
Speech Synthesizer
Target Group
German-Speaking

\$ pip install speechcatcher

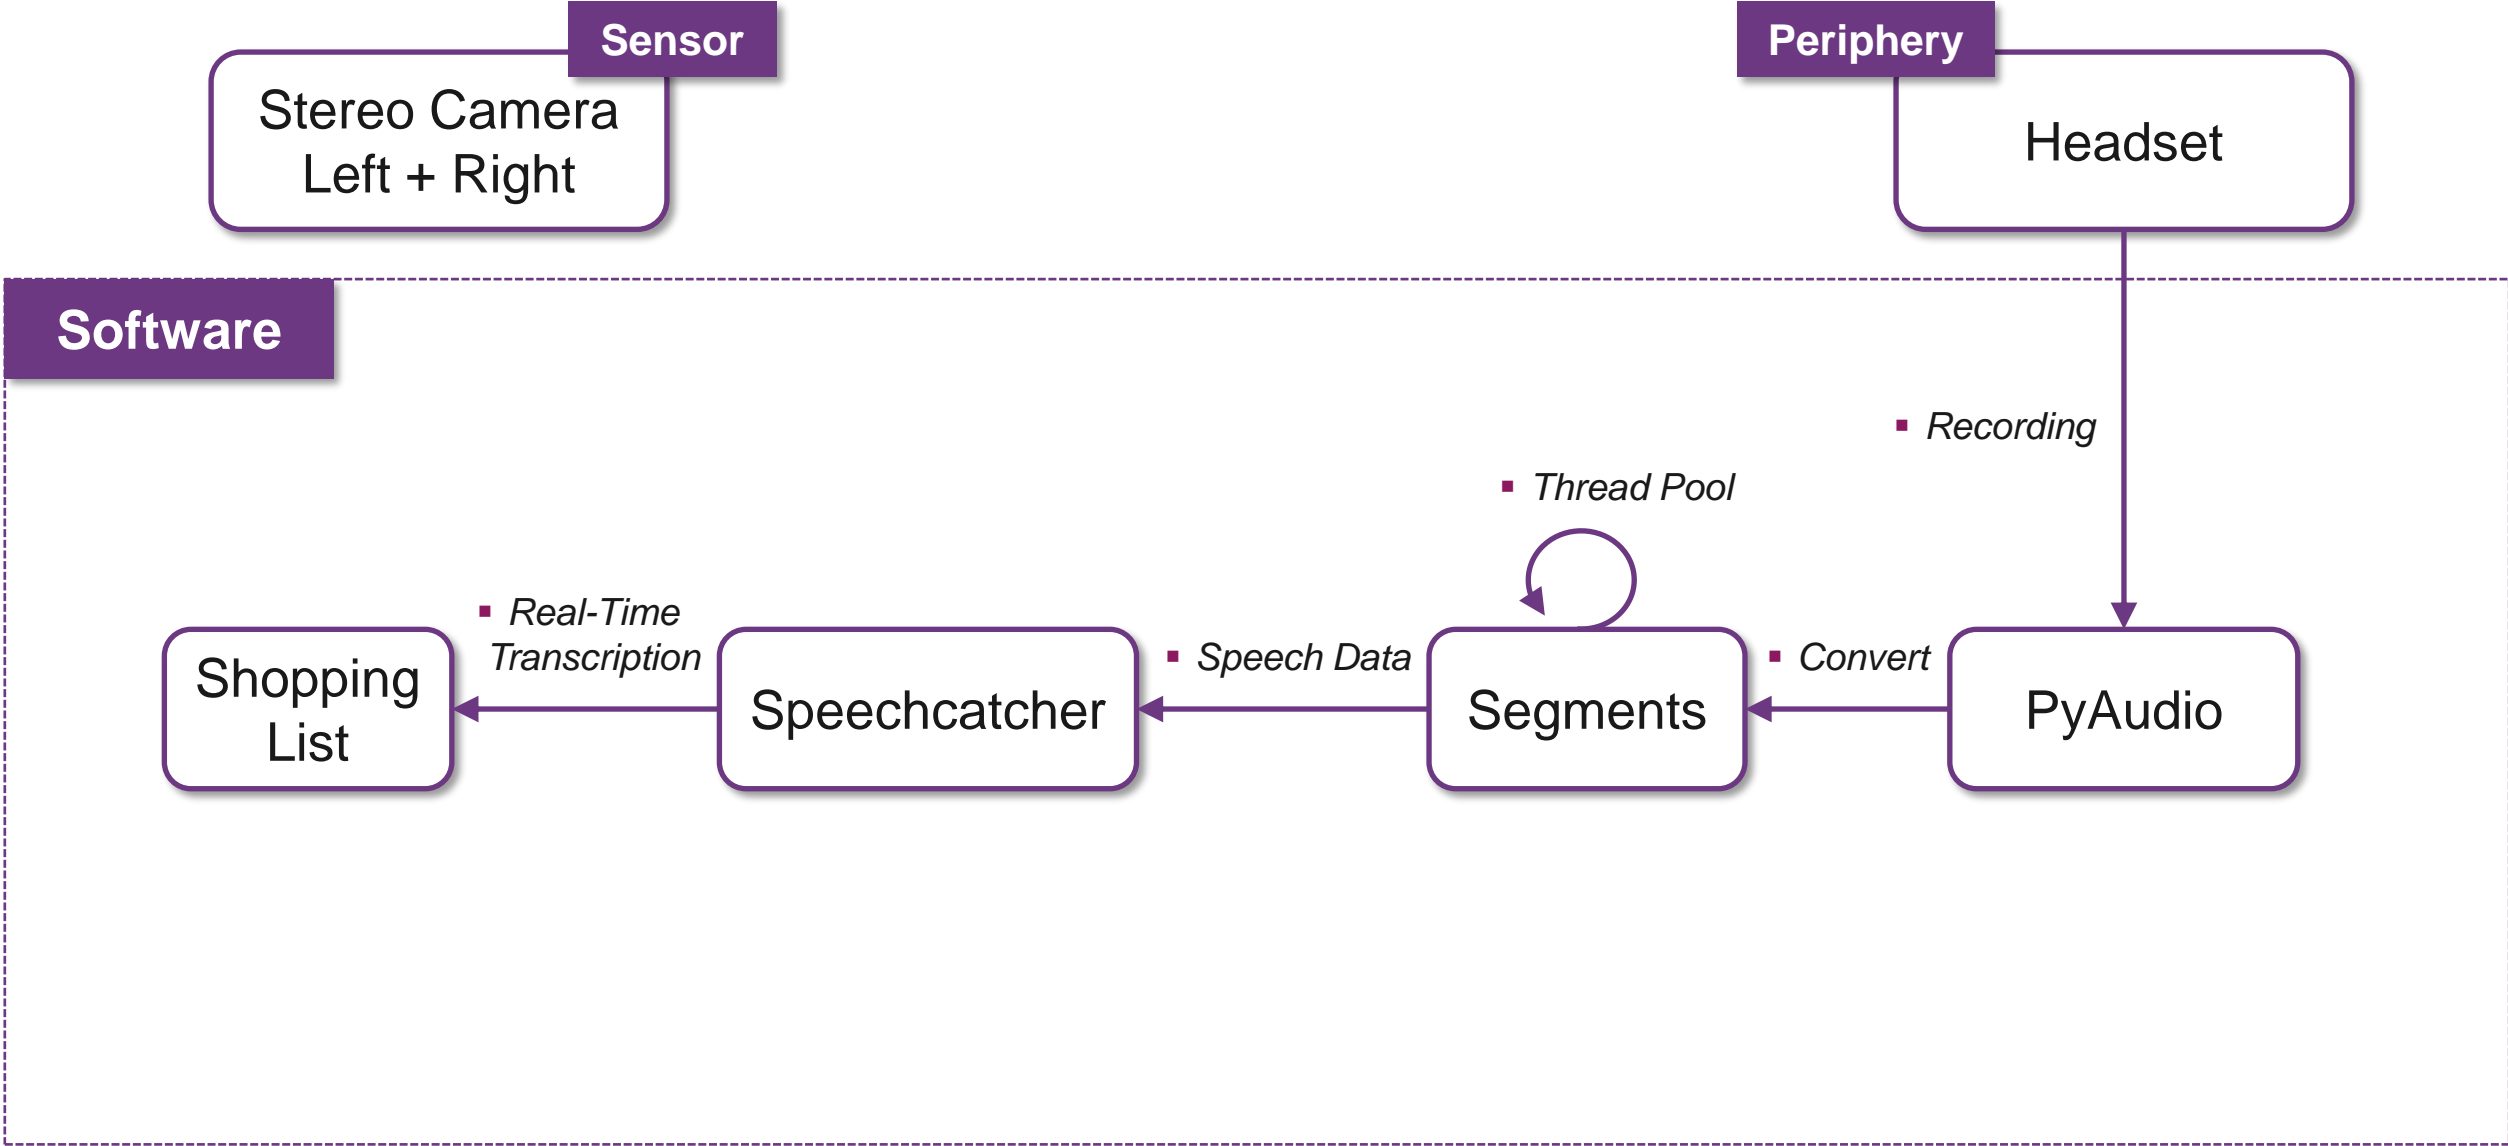

Speechcatcher

Requirements	Speechcatcher	Whisper
German	✓	✓
Offline-Available	✓	✓
Real-Time	✓	✓
Small Memory Usage	✓	✗

▪ Trained Using
Whisper As Teacher

Speech-To-Text
Speech Recognizer
Target Group
German-Speaking

Robot-Assisted Shopping for the Visually Impaired

VIRAS
